Organizational management  
Leadership

**Abstract:** The annotated bibliographies in this series include the following titles issued as separate publications: I. The Basic Psychology of Group Behavior. II. Dimensions of Group Structure and Group Behavior. III. Environmental Stress and Behavior Ecology. IV. Organizational Staffing. V. Organizational Management and Leadership, VI. Leadership in Formal Groups.

In addition, a special methodological review of approaches to the analysis of sociometric data has been prepared as a separate report.

The present report, Basic Psychology of Group Behavior, is organized in six sections: A. General Studies and Reviews, B. Roles, Status and Intra-Group Interactions, C. Communication and Information, D. Individual Perceptions in Group Behavior, E. Attitudes and Attitude Change, and F. Methodological Studies.
