

Part II

Proceedings

of the

**Eleventh International Congress on
Circumpolar Health**

June 5-9, 2000 - Harstad, Norway

Edited by

Peter Bjerregaard

Juhani Leppäluoto

Neil Murphy

T. Kue Young

CONTENTS

60
2001

| | | |
|--|-----|--|
| On Chairmanship and Congress Proceedings <i>Børge Ytterstad</i> | 452 | EDITORIAL |
| Traditional knowledge & contaminants project <i>J. Wongittilin</i> | 454 | PLENARIES |
| Arctic telemedicine project. Sustainable development working group Arctic Council <i>Carl M. Hild</i> | 461 | |
| Thiamine status in inhabitants of the Russian European North <i>Evgeny R. Bojko</i> | 466 | NUTRITION AND ENVIRONMENT |
| Low level of serum phospholipids in inhabitants of the Russian European North <i>Evgeny R. Bojko, Fatima A. Bichkaeva</i> | 469 | |
| The evaluation of transferred health care services in Wunnimin Lake, Wapekeka and Kingfisher Lake First Nations: A nursing perspective <i>Shirley Hiebert, E. Angees, T.K. Young, J.D. O'Neil</i> | 473 | HEALTH CARE |
| Alaska Natives assessing the health of their environment <i>Dolly Garza</i> | 479 | |
| The Alaska Native Diabetes Program <i>Cynthia Schraer, Ann Marie Myer, Anita M. Vogt, Julien Naylor, Tammy L. Brown, Joan Hastie, Jodi Moore</i> | 487 | |
| Why First Nations communities should not be subsumed in a rural framework: seat belt wearing rates in three Alberta First Nations communities <i>Peter Rothe</i> | 495 | |
| Cardiovascular risk factors and relatedness in an Icelandic subpopulation <i>Bjarki Jonsson Eldon, Johann Axelsson, Stefan B. Sigurdsson, Einar Arason</i> | 499 | CARDIOVASCULAR AND RESPIRATORY DISEASES |
| The cardio-vascular system in people living at latitude 65° N <i>Nina G. Varlamova, Viktor G. Evdokimov, Olga V. Rogachevskaya, Evgeny R. Bojko</i> | 503 | |
| Adreno- and cholinoreactivity of the vascular system under the influence of low temperature <i>V.V. Kotpakov, V.N. Ananyev, N.M. Fateeva, A.S. Zhidkikh</i> | 506 | |

| | | |
|--|-----|--------------------------------------|
| old air exposure and blood indices in oilers in a circumpolar area <i>Evgeny Bojko, Alexei S. Bashkanov, Natalia N. Potalitsina, Galina N. Maklakova</i> | 512 | |
| The heligeophysical aspects of circumpolar health <i>Alexander V. Trofimov</i> | 516 | |
| Systemic reactions of haemostasis, haemodynamics, blood lipids and thrombocyte membrane state in watch labour in the Trans-Polar region <i>V.V. Kolpakov, N.M. Fateeva, T.N. Rybtsova</i> | 525 | |
| Leukogram and white blood cells count in native people of Chukotka <i>Larisa A. Gyrgolkay, Yuri P. Nikitin</i> | 534 | |
| Characteristics of haematological pathology in Siberia and the North <i>Emilia Ia. Zhuravskaya</i> | 540 | |
| Melatonin secretion in SAD patients and healthy subjects matched with respect to age and sex <i>Ragnhildur Káradóttir and Jóhann Axelsson</i> | 548 | MENTAL DISEASES AND ADDICTION |
| Seasonal variation of psychological reactions in oilers working in the circumpolar area <i>Tatyana P. Loginova, Natalia N. Potalitsina, Alexei S. Bashkanov, Evgeny R. Bojko</i> | 552 | |
| Ecological and biochemical characteristics of alcohol pathologies in the North and their influence upon the total sickness rate of population <i>B. Kershengolts, O. Kolosova, E. Krivogornizina, N. Yakovleva, I. Meitser</i> | 555 | |
| Suicide prevention training for aboriginal young adults with learning disabilities from fetal alcohol syndrome/fetal alcohol effects (FAS/FAE) <i>Ricki E. Devlin</i> | 564 | |
| Characteristics of healthy population among the migrants to the North <i>Vitalyi P. Leutin</i> | 580 | ADAPTATION |
| Blood cells and hormonal and immunological parameters of humans in northeast Russia <i>Arkady Leonidovich Maximov</i> | 586 | |
| Metabolism, endocrine status, and allergy in the extreme North <i>P.V. Hasnulin, V.G. Seliatitskaya</i> | 593 | |
| Serum concentrations of thyroid and adrenal hormones and TSH in men after repeated 1h-stays in a cold room <i>Ilkka Korhonen, Juhani Hassi and Juhani Leppäluoto</i> | 604 | |
| Compensatory mechanisms of incomplete adaptation <i>Sergei G. Krivoschekov</i> | 609 | |
| The role of transitive seasons on the functional status of children in Russian European North <i>Viktor G. Evdokimov, Olga V. Rogachevskaya, Nina G. Varlamova, Evgeny Bojko</i> | 615 | CHILDREN |

| | | |
|---|-----|--|
| Development of children from urban and rural areas of West Siberia <i>Nadejda N. Grebneva, Alla B. Zagainova and Sergei G. Krivoschekov</i> | 618 | |
| A model for providing prenatal health care to indigenous women living in remote areas <i>Margaret Baldwin and Yvonne Stevenson</i> | 623 | |
| Longitudinal observations (1987-1997) on the prevalence of middle ear disease and associated risk factors among Inuit children of Inukjuak, Quebec, Canada <i>Suzanne Bruneau, Hannah Ayukawa, Jean-François Proulx, James D. Baxter, Karen Kost</i> | 632 | INFECTIONS AND ZOOONOTIC DISEASES |
| Rapid pharmacotherapeutic intervention for an influenza A outbreak in the Canadian Arctic: Lessons from the Sanikiluaq experience <i>P. Van Caesele, A. Macaulay, P. Orr, F. Aoki, B. Martin</i> | 640 | |
| Bronchiolitis in Inuit children from a Canadian Central Arctic community, 1995-1996 <i>Pamela Orr, Sharon Macdonald, Douglas Milley, Rosemary Brown</i> | 649 | |
| Community well being and infectious diseases among Alaska Native communities in the Chugach region <i>Tracy L. Speier</i> | 659 | |
| Zoonotic diseases: health aspects of Canadian geese <i>Raymond Dieter, Jr., Robert S. Dieter, III and Gene Gulliver</i> | 676 | |
| Snowmobile injuries in Svalbard – a three year study <i>Børge Ytterstad and Arne Johan Norheim</i> | 685 | INJURIES |
| Bear Mauling: a descriptive review <i>Raymond A. Dieter Jr., David L. Rieter, Raymond A. Dieter, III, Ben Forbes</i> | 696 | |
| Improving safety in the Alaskan commercial fishing industry <i>Jennifer Lincoln, Brad Husuberg and George Conway</i> | 705 | |
| Alaska's model program for occupational injury prevention: applying surveillance for effective public health practice <i>George A. Conway, Jennifer M. Lincoln, Bradley J. Husberg, Jan C. Manwaring, Diana M. Bensyl, Deborah M. Choromanski</i> | 714 | |
| Closing plenary address at ICCH II <i>George Conway</i> | 724 | CONCLUSION REMARKS |
| International Union for Circumpolar Health Report of the President to the General Assembly <i>George Conway</i> | 729 | |
| | 733 | SOCIETY NEWS |
| | 734 | ANNOUNCEMENT |
